

Hartmann Student Travel Grant Application

Application deadline for the 2018 meeting in Knoxville, TN is 11:59PM EDT Thursday, July 12, 2018. Late applications cannot be accepted.

Starting with a generous contribution from William K. Hartmann, followed by member contributions and matching funds from the DPS Committee, a limited number of student travel grants are made available to assist toward participating at the annual DPS meeting.

Travel grants are primarily intended for students, but post-doctoral scientists without other means of support will also be considered. Travel grants rarely exceed a few hundred dollars and are intended to provide a supplement that makes the difference on whether or not the person is able to attend the annual meeting. In some cases the travel grant may be requested to cover the meeting registration fee. Preference is given to students who have not received a Travel Grant in the past.

Questions may be directed to the [DPS Vice Chair](#) [1].
