

## Message From The Chair: DPS 49 Banquet

I just signed up for the [DPS 49 Banquet](#) [1] and an [art class](#) [2] before the banquet that Sundance has made available to DPS members. Note that the banquet cost includes transportation to and from Sundance Mountain Resort, a beautiful property at the base of Mount Timpanogos, ~15 miles from downtown Provo. It is a special place and I know it will facilitate collegial interactions and discussions about our scientific work.

The activities prior to the meeting include pottery, jewelry making, painting and journal making. I finally decided on painting to exercise a different part of my brain. These classes are offered for a fee and I hope you'll take the time to sign up for this different experience for two hours before the banquet if you're so inclined. No experience is necessary. I'm looking forward to @DPSMeeting #DPS17 (or [DPS49](#) [3]) in Provo, UT next month and hope you are too.
