1. Hartmann Student Travel Grants for DPS 50

A generous contribution from William K. Hartmann, supplemented by member contributions and matching funds from the DPS Committee, has enabled a limited number of student travel grants to assist participation by early-career scientists at the annual DPS meeting.

Application details are at: https://dps.aas.org/meetings/hartmann-application [1]

Travel grants are primarily intended for students, but post-doctoral scientists without other means of support will also be considered.

The due date for applications is July 12, 2018 11:59 PM.

The DPS Leadership is also soliciting additional contributions from members for the Hartmann Fund. Your tax-deductible gift promotes the careers of our next generation of planetary scientists. Thanks so much for your generosity.
