

## Message from the Chair: Hartmann Student Travel Grant Reminder and Early Career Presenters Review at DPS

I am looking forward to DPS 2018 in Knoxville in October!

A reminder that applications for the Hartmann Student Travel grants are due at the end of the day on July 12. Application details are at : <https://dps.aas.org/meetings/hartmann-application> [1]

Travel grants are primarily intended for students, but post-doctoral scientists without other means of support will also be considered.

Also, we invite early career scientists, including undergraduate and graduate students, postdocs, others early in their careers, and first-time presenter to participate in this year's Early Career Presenters Review at DPS. Join this educational opportunity to receive feedback from seasoned presenters! The DPS Early Career Presenters Review will take place on Sunday afternoon October 21st and on Monday October 22nd throughout the day. Early career scientists are invited to practice their oral or poster presentation and receive feedback before presenting during the regular meeting. Participants also have the opportunity to network with their peers and future colleagues. **Registration is free but required for participants:** [https://www.surveymonkey.com/r/DPS\\_18\\_EC](https://www.surveymonkey.com/r/DPS_18_EC) [2]
