Hartmann Student Grants for DPS 52

A generous contribution from William K. Hartmann, supplemented by member contributions and matching funds from the DPS Committee, has enabled a limited number of student grants to assist participation by early-career scientists at the annual DPS meeting.

***NOTE: Due to the COVID-19 pandemic, the DPS meeting will be virtual this year. Hartmann funds, which are usually used to cover travel expenses, will be used this year to support meeting registration for students.***

** Application details are at [https://dps.aas.org/meetings/travel_grant_application](https://dps.aas.org/meetings/travel_grant_application) [1]

Grants are primarily intended for students, but post-doctoral scientists without other means of support will also be considered.

**The due date for applications is August 20, 2020 11:59 PM.**

The DPS Leadership is also soliciting additional contributions from members for the Hartmann Fund. Your tax-deductible gift promotes the careers of our next generation of planetary scientists. Thanks so much for your generosity. Donations may be given through [AAS.org](https://my.aas.org/Services/AAS_Member/Fundraising/AAS_Donation_Main) [2].
