The Prize Subcommittee consists of seven members. Six of these serve rotating two-year terms, with nominally three members appointed each year soon after the annual DPS business meeting using the following process:

1. The DPS Past Chair brings the names of two candidates to the DPS Committee.
2. The DPS Committee selects one of these candidates.
3. The DPS Committee provides four names to the DPS Past Chair.
4. The DPS Past Chair selects two of these candidates.

The seventh member is the current DPS Past Chair, who will coordinate the activities of the prize committee and act as its chair.
