

Public Policy

[Action Alerts \[1\]:](#)

At key times during the federal budget cycle we ask each member to write letters and make phone calls to advocate for planetary science.

[Communicating with Congress \[2\]:](#)

General tips and tools to help you advocate for planetary science with your representatives.

[How to Get Involved \[3\]:](#)

The DPS Federal Relations Subcommittee has provided several quick references for a variety of tools to help people get more involved in a broad variety of advocacy topics.
