

# How do I comply with the ROSES Public Access Policy?

Ross A. Beyer  
DPS Publications Subcommittee  
DPS Fall Meeting, October 22

**Division for Planetary Sciences**

of the **AMERICAN ASTRONOMICAL SOCIETY**

# Use cases for

- Science
- Nature
- Icarus (Elsevier)
- ApJ & AJ (AAS)
- JGR Planets, GRL (AGU)

# Manuscript Terms

- Publisher PDF = the PDF the publisher makes
- Author PDF = a PDF the author can make
  - should include all editorial changes, such that the content is the same as the Publisher PDF
  - contains the citation information for the Publisher PDF

# Open Access Terms

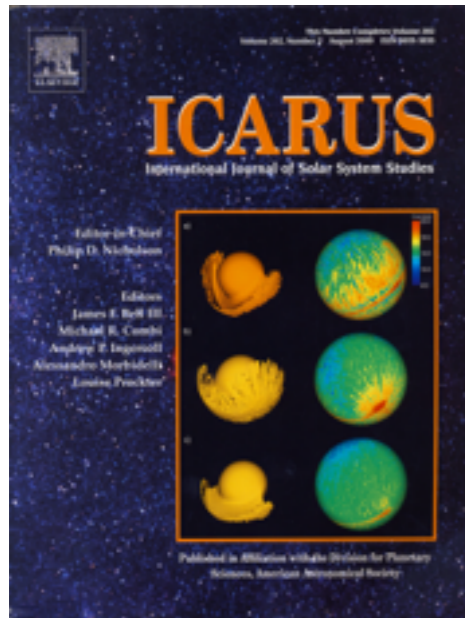

- **Gold** Open Access = a work published under a copyleft license
- **Green** Open Access = a work published under traditional publisher copyright, but for which the author self-archives their Author PDF.

NASA's PubSpace  
is  
NIH's PubMed Central
